

Classroom Scavenger Hunt

Directions: Answer each question by looking around the room and thinking about what you know about your classroom. Please use directional words to indicate what side of the room you are talking about and be descriptive about the places.

1. What is the room number?
2. What other teacher teaches in this room?
3. Where is the fire escape map?
4. Is there an electric, a manual or both types of pencil sharpeners in this room?
5. Where is the clear tape located?
6. Where is the bathroom pass?
7. Where can you find a pair of scissors?
8. Where is the three hole punch?
9. Where is the stapler?
10. Is there a water fountain in the classroom?
